LATAM PREPAY VOUCHER

MOBILE CONNECTIVITY IN LATIN AMERICA

Whether it is staying in contact with exploration teams in remote pits or communicating with far-flung fleets to ensure their safety, we understand the importance of maintaining connectivity.

We also know that in some areas of the world, that's not as simple as it sounds.

There are many areas of Latin America that just don't have cellular connectivity, which can leave remote teams exposed, out of reach and at risk, which is unacceptable. The restriction of movement brought about by the COVID-19 pandemic, has only served to further highlight the importance of reliable methods of communication with remote teams.

Our flexible LATAM prepay voucher for IsatPhone provides an affordable solution to your remote communication challenges, offering calls and text messages at the most competitive rates yet in Latin America.

AFFORDABLE AND FLEXIBLE

We're proud to be able to offer LATAM prepay voucher for IsatPhone with no set up fee. They offer 200 minutes, 300 units and six months of validity upon activation. That's significantly less than the cost of roaming on a foreign mobile phone network.

Accessed through our IsatPhone 2, which operates over our global I-4 satellite network, offering up to

99.9% uptime, we offer true reliability. You can count on our connectivity no matter where you are in the region, including coastal waters (12 Nmi) and Exclusive Economic Zone's (EEZ).
